

# “filling bowls with food and love”

**Empty Bowls** is a fundraiser designed to raise awareness and funds in our battle to end hunger in the Metrolina region. Potters of all ages, skill levels and approaches to clay will donate hundreds of handmade pottery bowls. Guests will receive a delicious lunch, a handcrafted pottery bowl of their choice and a GoPlaySave Charlotte coupon book. The bowl then serves as a reminder that someone's bowl is always empty and that we need to continue our efforts to alleviate hunger in our community. For the past several years this event has sold out and raised almost \$100,000 for our organization!
