FUND AND FOOD DRIVES

Fund and food drives are a fun and easy way to collect much needed monetary donations and dry staple food items. Individuals, community and corporate groups can host an online fund drive and/or a collection for unopened shelf stable food (including pet food). **For every \$1 donated, 7 pounds of food is distributed to the community.**

INDIVIDUAL, CORPORATE, IN-KIND GIVING, AND PLANNED GIVING

Employee Giving and Matching Gifts

One of the best ways to help is providing an opportunity for your employees to donate directly to Second Harvest. Include us as a charity of choice and consider matching employee gifts.

Corporate Donations

Your company can donate directly to Second Harvest specifying the counties and/or programs you want to support.

In-Kind Donations

Your company can donate in-kind items that help Second Harvest reduce operating expenses.

FreeWill

Second Harvest Food Bank of Metrolina has partnered with FreeWill to offer a service to create or update your legal will. It's 100% FREE to you and your support ensures that no person in the 24 counties that we serve struggles to find where their next meal will come from.

Contact Donna Ragan at dragan@secondharvest.org for more information.

VOLUNTEER

We rely on a network of volunteers to sort millions of pounds of food, complete critical office tasks, and staff events that collect food and funds.
