Balance Sheet

THANK YOU DONORS

One of the best ways to help end hunger in the Metrolina area is through a financial gift to Second Harvest Food Bank of Metrolina. SHMETROLINA supplies food and essential grocery items to over **700** agencies and to other food banks.

While most of the food we distribute is donated, we have costs to transport and receive it, keep proper records, conduct appropriate inspections to ensure food safety, and sort and prepare the food for sharing with our partner agencies. Financial donations help to cover these costs.

For every **\$1** we receive, we can distribute **7 pounds** of food. Since the Food Bank is a tax exempt charity [501(c)(3)], all contributions are tax deductible to the full extent allowed by law.

\$1 = 7 Pounds

Assets

Net Fixed Assets	\$28,541,188
Donated Food	\$1,441,891
Unrestricted Funds	\$3,284,379
Receivables	\$186,541

Subtotal Net Assets	\$16,313,206
Non-Current Liability Notes Payable	\$16,267,098
Total	\$34,909,530

Income Statement

THANK YOU FUNDRAISERS

Second Harvest Food Bank of Metrolina accepts donations from individuals, groups and food and retail industry partners. Food and Fund Drives are a fun and easy way to multiply your giving! In fact, in fiscal year 2017-2018 food and fund drives provided the equivalent of more than **6.2 million pounds** of food to neighbors in need. Food and retail industry partners like distributors, manufacturers, restaurants, retail stores and growers play a big role in eliminating hunger in our region.

Our industry partners donate unopened dry, shelf-stable, refrigerated and frozen food items; fresh produce, personal care and cleaning products; boxes; office and warehouse supplies; obsolete promotional items and bulk products.

Thanks to CompanyBox for sponsoring our new food boxes

Second Harvest Program Facts

In 2018

Backpack Program

This program is designed to provide **children** at risk of hunger with backpacks full of ready-to-eat, nutritious foods for weekends and holidays when school meals are not available.

Second Helping

This program provides monthly boxes of supplemental nutritious food to older **seniors** working with our Meals on Wheels partners. Second Helping supplements the daily nutritious meals received through that program with supplies of easy-to-open nutritional items.

Kids Cafe

Second Harvest partners with agencies that already serve **children** at risk of hunger to help provide nutritious meals and snacks at their sites.

Fresh Produce Markets

Nothing says summer quite like picking up fresh produce at a Farmer's Market, but fresh fruit and vegetables can be a luxury for **seniors** at-risk for hunger. SHFBM provides farmers market experiences at senior center partner sites throughout our service region.

Second Harvest Program Facts

In 2018

School-Based Mobile Pantries

This program supplements our backpack program at high-poverty rate elementary schools. It provides on-site food including produce, meat and dairy for low-income **families**. This helps the children have enough nutritious food to eat and to come to school prepared to learn.

Pet Food Bank

The Second Harvest Pet Food Bank is here to assist area **families and seniors** struggling to feed their pets.

Rural Mobile Pantries

This program is designed to deliver food to **rural areas** of our service region where poverty rates tend to be higher and resources can be scarce. Specially equipped trucks deliver 5,000 to 10,000 pounds of food per trip.

Operation Rescue

SHFBM receives and redistributes salvage pet foods and supplies to dozens of **animal rescue operations** throughout our 19 county region. These supplies help shelters reduce operating costs, freeing up funds to save more animals.

Distribution *Summary*

Volunteer *Summary*

There are many ways to get involved in ending hunger in our region. We could never accomplish all we do without each and every volunteer. In the past fiscal year, **98,333 volunteers**, which equates to **278,972 hours** per year, made it possible for SHFBM to operate. NC Independent Sector for nonprofits calculates volunteer time at **\$22.99 per hour** which equates to **\$6,413,565 dollars** in savings!

Whether you can volunteer once a week, once a month or once a year; individually or with a group of 2 to 60; whatever your commitment, every hour of assistance helps us ensure our hungry neighbors will have food.
